

Talking Super: How to be a Super Smart Woman[©]

This important workshop for women explains the way that superannuation works, why women have significantly less superannuation than men (on average) and outlines strategies you may consider. These include finding lost super, the choice of fund, the impact of fees and the potential benefits of co-contributions.

The presenter, Pauline Taylor is an independent finance consultant who is committed to assisting women to better understand and manage their finances.

Cost

Workshops are free.

If you need assistance with child care, transport or an interpreter to attend this workshop, please call us to discuss.

Firmer Foundations supports women on their journey towards a full, safe life with greater financial knowledge and independence.
