

The Waranara Centre has extended its years of schooling to include Years 11 and 12.

The Waranara Centre is an accredited secondary school with campuses in Marrickville and Paddington. It provides an environment for young people experiencing mental health issues and significant life challenges to re-engage with education.

Students at The Waranara Centre will now be assisted to achieve their Year 12 Higher School Certificate in addition to their Year 10 Record of School Achievement.

Students who attend the senior campus in Marrickville will be offered a range of flexible subject choices as well as the intensive, ongoing learning support the centre is known for.

At The Waranara Centre, we believe all young people have the right to access education within an environment that is responsive to their personal needs and circumstances.

Our specialist teachers and education support workers provide personalised academic and wellbeing support, assisting young people to create positive pathways for themselves.

Student wellbeing

Students are able to access ongoing health and wellbeing support through our wellbeing support workers and Good Shepherd's on-site counsellors. Our counselling team can assist students with a broad range of issues that may be impacting their education or personal wellbeing.

“Studying here has changed my life; I just wouldn't have been able to get to where I am today without Good Shepherd.”

Grace, former student

The Waranara Centre offers:

- Fully qualified teachers
- Support for students' education and employment goals, including the Record of School Achievement and Higher School Certificate
- Recreational and social activities
- Access to other Good Shepherd programs and services, eg counselling and financial inclusion services

How to enrol
